Dear Nature Photographer,

We hope this message finds you well! In early July, our jury had the pleasure of reviewing all your stunning and impressive images. It was an intensive process that spanned three full days of judging, complete with heated discussions, plenty of coffee, and chocolate ;-).

Your image(s) made it into the top 10

We are thrilled to share some exciting news with you: one or more of your images have made it into the top 10 in your chosen category! This achievement signifies that your image(s) have met our rules and guidelines. Congratulations on reaching this milestone amidst stiff competition—over **22,851 photos were submitted** to our contest.

While making it into the top 10 is a significant accomplishment, it does not guarantee a prize. Your photo could potentially win as a Category Winner (1st place), Runner Up (2nd place), or be Highly Commended (3 times shared 3rd place).

Alternatively, if your image does not place in the top 5, please know that **making it this far is still a remarkable achievement in itself.**

You can check your dashboard within one week of receiving this email to see which of your images have been selected as finalists.

Award Ceremony at the Nature Talks Photo Festival

We are delighted to announce the Nature Talks Photo Festival, taking place on Saturday, November 9th, and Sunday, November 10th. This event offers an excellent opportunity to meet fellow participants and nature photographers alike. During the festival, we will announce the five prize winners per category and, of course, the Overall Winner, the Nature Photographer of the Year 2024, at a festive Award Ceremony on Saturday, November 9th. More details about the Nature Talks Photo Festival and the Award Ceremony will follow soon, so please stay tuned!

Met vriendelijke groet | Kind regards,

Tin Man Lee (Chairman, NPOTY 2024)
Lesley de Beer (Competition Manager)
